OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No $\frac{5349}{223}$ dated 4 enclosures ~~Mysore~~ Bangalore 7th December 1899

From

H J BHABHA Esq

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore

General and Revenue Departments

SIR

I have the honour to inform you that the building of the Anglo Vernacular school, Doddaballapur has been for years painfully overcrowded and no other suitable accommodation can be found for the classes held in the building for want of sufficient space in the present building some classes are held in the morning and some in the afternoon Although the rooms are thus filled by two sets of classes during the day, the necessity for increased accommodation has been greatly felt for a long time past It is therefore absolutely necessary to extend the building by the addition of a hall 30'×16' and a wing of two rooms each measuring 16×12' as per plan sent herewith

The cost of the extensions estimated at Rs 2790 inclusive of the P W D establishment charges according to the estimate enclosed herewith I request that Government may be pleased to sanction the extension of the Anglovernacular school building at Doddaballapur, the cost being met from the Allotment sanctioned for Buildings in the State Funds Budget of the Education department for the current official year I request that the enclosures may be kindly returned with your reply

I have the honour to be,

Sir,

Your most obedient servant,

H B Bhabha

Inspector-General

original enclosures 2790

Present estimate 2585 Excess 95

With reference to Government Order No x 7946-7 Ed dt 19-96 of the 11th January 1900, I have the honour to inform you that it is necessary to modify the estimate, as some alterations are required in the original estimate in order to make the building appear more tidy and to make the roof quite water tight Mangalore tiles will be substituted for pot tiles originally provided for The floor has to be paved with cuddapa slabs instead of with flooring tiles The windows which are now exposed

will be provided with sun shades. With these alterations the total cost of the extension will come to Rs 2885/- inclusive of the D.P.W. establishment charges, according to the revised estimate prepared by the Executive Engineer, Bangalore Division. The original amount sanctioned by the order quoted above will thus be exceeded by Rs 95/- The work of the extension has been completed upto the roof, and further work is proceeding. I request that Government may be pleased to sanction the excess amount of Rs 95/- referred to from the provision allotted for "Taluk School Buildings" in the State Funds Budget of the Education Department for the current official year. The original and revised estimates are forwarded herewith for reference and obliging return when done with
